CHURCH NEWS

In future editions of the TIMES-VIRGINIAN, we plan to run the regular church news the first Thursday in each month.

Each week the church news is the same and we feel that this space could be used for important events, such as revivals, church social functions, and the like.

It would be a good idea to clip out your church news if you are not positive of the activities for the month.

If you desire any corrections to the church news previously printed in this paper, please contact us and we will gladly make the necessary corrections. When turning in your church news, please include all activities for the month.

VEXING THE SPIRIT

They rebelled and vexed His Holy Spirit; therefore He was turned to be their enemy and He fought against them. Isa. 63:10.

Frequently the children of Israel rebelled against God. There was the time when they made a Golden Calf. There was the lusting for the flesh pots of Egypt and the consequent deadly feast of quails. Israel feared the giants in the land of Canaan and rebelled against God's command to go in and take the land. That rebellion meant forty years of wondering in the Wilderness.

Isaiah in recounting Israel's failures pointed out to the people that although there were many rebellions, there were just as many times when God proved His love for them. He suffered with them in the punishment He meted out. The Angel of his presence saved them in His love and his pity he redeemed them. (Isa. 63:9).

The lessons and experiences of the past, however, were not sufficient for them. "They rebelled and vexed His Holy Spirit", verse 10. What a thoughtless and dangerous thing to do!. The Holy Spirit was their link with God. To shut themselves off from the blessings of God was to endanger their welfare in this life and in the life tocome. It must have been a grievous sin that Israel committed for the Holy Spirit turned to be their enemy. And He fought against them. That is, He appeared to be their enemy. Actually the judgements that befell the people had a merciful design. God was seeking the ultimate salvation of the individual. The SDA Bible Commentary on Isa. 63:9.

It was fortunate for Isarel and for us that God is a loving, forgiving God! Today salvation is not a national expectation. No longer- longer does God have a chosen nation. Salvation is an individual matter. If we seek and put our own pleasure above the things of God, we are rebels. But God has provided a way for us to live. That way leads to eternal life.

Too often we lose faith. We feel that God has forsaken us. Could Christians realize how many times the Lord has ordered their way. . . their faith would have stayed on God, and no trial would have power to move. Prophets and Kings p. 576. Let us determine that under no circumstances will we vex the Holy Spirit.

VEPCO PLANS TO SELL STOCK

Virginia Electric and Power Company announced plans to sell approximately $90-$95 million worth of common stock in a public offering on Sept. 26.

Proceeds of the offering will be used to finance part of Vepco's construction program to provide adequate power supply to its customers in the future. In 1973 the construction program totals $474.6 million and during the five year period from 1973 to 1977, Vepco plans to invest $2.7 billion in new facilities to meet increasing energy needs.

The sale will be handled through a negotiated transaction with Morgan Stanley & Co. and Merrill Lynch, Pierce, Fenner & Smith Incorporated as co-managers.

In March, the company negotiated the private placement of $70 million of preferred stock and a $50 million five year note. In June, $22 million in nuclear fuel for the second unit at Surry Power Station was financed through a sale and heat-purchase arrangement.

The most recent sale of Vepco common stock was in Sept. 1972, when 1,500,000 shares were issued in a public offering.

Lizzie Mack presided with Mrs. W. W. Smith recording the proceedings. After the business was attended to, Mrs. Smith, our hostess, served the club a most delectable dinner. There were several visitors with us. Our afternoon was well spent.

Modernistic Club News

A successful revival has just closed at Galilee Baptist Church. Those who attended the service were revived. The Rev. Winston R. Jones, was the guest minister for the week of the 5th., through the tenth. The services were well attended through out the week. A number of home comers were in for the services from out of town. Five joined the church of their choice, during the week. The music for the week was furnished by the sister churches throughout the county. Those who attended the services really enjoyed the lively music rendered during the week.

A different crowd attended each evening. The offering was very good each night, and the spirit was also high. The members and friends stated that the revival this year was one of our most successful one for sometime. We take our hats off to Pastor Lawing for his selection of such a wonderful guest speaker this year. A number of revivals started Sunday. We do hope that they may have a successful week too.
